if you're a troll, orc, or ogre looking for love, there's one man who can make your wildest wishes come true: Gideon Maximilian Scarborough, co-owner of the Ugly Monster Matchmaker LLC. He devotes his life to turning ghastly creatures into savagely attractive humans. His magic can chisel a chin, remove warts, and turn a snout into a beautiful schnoz. With his trusty dwarf sidekick, Becky, Gideon scours the globe in search of desperate clients. One such client is Gia, a wood sprite who's fallen hopelessly in love with a prince. At Gia's request, Gideon mixes a potion to make Prince Charming fall head over heels in love with her. But it all goes horribly wrong as a result of Gideon's meddling: a princess is obsessed with him, a mad king wants him dead, and his greatest secret is exposed. Gideon's not just the owner of the Ugly Monster Matchmaker company; he's also a client. The Ugly Monster Matchmaker company is a little bit Shrek, a little bit steampunk, and full of fantastical creatures. Content warning: some mild language, violence, and comic mischief. Recommended for ages 13.

The first novel in the wonderful East End Saga from the author of *Up Our Street*, Becky Taylor is born the last of seven children into a poor working-class family during the heyday of the Industrial Revolution. Her mother is exhausted by poverty and child-bearing; her father has given the best years of his life to Worrells Salt Works as a miner. But in spite of the hardships, Becky grows up in a family full of warmth, loyalty, and determination. Spanning twenty years, this is at once a family saga and a story of the indomitable working-class spirit. It is also the story of a beautiful woman who is determined to rise above her origins and lead a better life. Her challenge is to achieve her dreams without losing the friends and family to whom she owes everything.

Meet the incredible women who rule the ring: Wendi Richter was ahead of her time; Chyna showed us serious attitude; and now Becky Lynch is leading the revolution in sports entertainment. Find out how the amazing women of WWE have kicked down doors and changed the game. 2020 WWE Inc. All rights reserved.

A startlingly funny and deeply satisfying satirical novel that makes the Canadian political scene accessible from the female perspective. Behind the scenes at the top of the hill, torn from the headlines, *Sussex Drive* is a rollicking, cheeky alternate history of big-ticket political items in Canada, told from the perspectives of Becky Leggatt, the sublimely capable and manipulative wife of a hard-right conservative prime minister; and just a wink away at Rideau Hall, Lise Lavoie, the wildly exotic and unlikely immigrant governor general. Two wives and mothers living their private lives in public. Set in recent history when the biggest house on their turf is shuttered, not once, not twice, but

three times becky and lise engage in a fight to the death in a battle that involves canada s relationship to the united states afghanistan and africa the rest of the time the women are driving their kids from linda svendsen s sharp and wicked imagination comes a distaff ottawa like no other ever created by a canadian writer of women manoeuvring in a political world gone more than a little mad hosting world leaders dealing with the challenges of minority government and worrying about teen pregnancies and their own marriages as they juggle these competing interests becky and lise are forced to question what they thought were their politics and make difficult choices about their families and their futures federal and otherwise

autobiographical novel covering skeeters studies and law practice love affairs and a marriage that ends in divorce

vols 28 30 accompanied by separately published parts with title indices and necrology
